No. M 5. C 182/30-31 dated 18th July 1930.
Requests to be informed whether for purposes of classification, the vacancies of previous years and current years should be taken into consideration as one continuous service to enable an ~~auto~~ automatic and uniform classification.

1) It has not been explicitly stated in the Manual of Recruitment Rules that only vacancies of the current year should be taken into consideration for purposes of Classification of vacancies into Promotion and Direct recruitment vacancies and the latter into General and Special Vacancies. When the form of the Vacancy Register was prescribed in the G.O. No 6069-6168 C.R.B 21-28-1 dated 30th January 1930, it was mentioned in the 1st Column of the form that "The series will begin with the Official year." (The C R B file leading to the G.O is put up.)

2) As none of the Unit Officers ~~[illegible]~~ represented any difficulty in the matter, the question of giving a definite ruling in the matter was not perhaps taken up for consideration. On one occassion when the Director of Health enquired why all the

four vacancies (classified by him as two General and two special) were advertised as Special vacancies, he was informed that for purposes of determining the vacancies as General and Special, only the vacancies relating to one and the same year should be taken into consideration.

3) Subd for orders. It will further be observed that in the form of "A" slott as given in the C.R.B manual the words during the year occurring under colm 8 of the Vacancy Reg[r] are not to be found, showing that the original idea was not in favour of the view held while prescribing the form of the Vacancy Register. A restricted interpretation favouring the latter view will no doubt work as a hardship, especially in small offices (where vacancies occur at rare intervals).

4) The spirit of the Rule appears to be to treat vacancies of all the years as a continuous series. A draft order may be proposed accordingly

Dated, Chitaldrug, 18th July 1930 192 .

FROM

C. S. KUPPUSWAMIENGAR, ESQ.,
Deputy Commissioner,
Chitaldrug District.

To

The Secretary, Central Recruitment Board,
Bangalore

Sir,

I have the honor to state that in the vacancy Register newly prescribed under the C.R.B. Rules it is stated in Col: 1 that the series should begin with the official year. The classification of vacancies into special and general and into direct recruitment and promotion are made in the order of occurrence of vacancies; the first three being treated as special and the fourth as general and so on. It is not clear whether the giving of new serials contemplates fresh classification of vacancies into special and general each year, or whether for purposes of classification, the vacancies of the previous years and the current year should be taken as one continuous series, to enable an automatic and uniform classification.

Th favor of an early reply is requested.

I have the honor to be
SIR,
Your most obedient servant

PI Venkatachalu
For Deputy Commissioner
Chitaldrug District.
